

COVID-19 UPDATE

February 28, 2021

Dear Employees of Mather Place,

We received notice yesterday, February 27, 2021, that **a private caregiver of Mather Place in Wilmette has a confirmed positive case of COVID-19.** We wish them a full recovery. The home care agency has interviewed this individual to determine if he/she was in close contact with residents and/or employees (meaning within 6 feet of anyone for more than 15 minutes). Individuals who have been in close contact will be notified.

COVID-19 VACCINATION CLINIC

Our next vaccine clinic will be Monday, March 8. Those receiving their second dose of the vaccine will have the same appointment time that they had on February 15. We are pleased to share that an overwhelming majority of employees along with nearly all residents, have received the vaccine.

STAY VIGILANT

We ask that everyone continue doing what you can to protect yourself and others, including

- practicing physical distancing (no closer than 6 feet away for no more than 15 minutes)
- good hand hygiene by washing your hands frequently for 20 or more seconds
- wearing masks that cover your mouth and nose when you are outside of your apartment home

Take care and be well.

Sincerely,

Katrina O'Neill
Executive Director
