

# COVID-19 UPDATE

February 10, 2021

Dear Residents and Family Members,

We're so excited that our long-awaited vaccination clinic with Walgreens is coming up next Monday! Residents who haven't done so already can stop by the Concierge desk and get their appointment information. **We ask that everyone acknowledge and sign for their appointment time in advance.** Signed forms can be returned to the Concierge.

Please note that each individual getting vaccinated will have the same appointment time for their second dose on Monday, March 8.

## **NO VISITORS MONDAY, FEBRUARY 15**

We'll have a "no visitor policy" in effect all day on the 15th, since so many residents and employees will be getting their vaccines. **Please postpone any planned visits with friends or family members to another day.**

Additionally, areas on the first floor will be closed all day on the 15th, since we'll need room for the clinic.

These limitations will help us manage the day and practice our infection control protocols. The health and well-being of residents and employees is our top priority.

## **LIMITED VISITORS UNTIL TWO VACCINATION CLINICS ARE COMPLETE**

Out of an abundance of caution, please consider limiting your visits until two weeks following the March 8 clinic. By then, Mather Place residents will have both shots and the maximum protection that the vaccine can provide.

## **A NOTE ON CAREGIVERS**

We wanted to share that we learned yesterday that two private caregivers tested positive for COVID-19. The home care agency has interviewed them to determine if either was in close contact with residents and/or employees (meaning within 6 feet of anyone for more than 15 minutes). Individuals who have been in close contact will be notified.

Private caregivers who work through the home care agency also have the opportunity to be vaccinated next week. Up until that vaccination date, caregivers will be tested for COVID-19 twice a week.

Take care and be well.

Sincerely,

Katrina O'Neill  
Executive Director
