

COVID-19 UPDATE

March 2, 2021

Dear Employees of Mather Place,

We received notice yesterday, March 1, 2021, that **a private caregiver of Mather Place in Wilmette has a confirmed positive case of COVID-19.** We wish them a full recovery. The home care agency has interviewed this individual to determine if he/she was in close contact with residents and/or employees (meaning within 6 feet of anyone for more than 15 minutes). Individuals who have been in close contact will be notified.

For now, the home care agency will continue to test caregivers.

PLEASE PROTECT YOURSELF & OTHERS

We ask that everyone continue to practice basic infection-control protocols, including

- practicing physical distancing (no closer than 6 feet away for no more than 15 minutes)
- good hand hygiene by washing your hands frequently for 20 or more seconds
- wearing masks that cover your mouth and nose when you are outside your home

Take care and be well.

Sincerely,

Katrina O'Neill
Executive Director
