

# COVID-19 UPDATE

January 18, 2022

Dear Employees of Mather Place,

We wanted to inform you that we received notice today that **two residents and one employee of Mather Place in Wilmette have a confirmed positive case of COVID-19**. We wish them a full recovery.

Mather Place is interviewing each of these individuals to determine if he/she was in close contact with residents and/or employees (meaning within 6 feet of anyone for more than 15 minutes). Individuals who have been in close contact will be notified.

## **MEALS AVAILABLE TO-GO ONLY:**

To reduce the risks of spreading COVID-19, our restaurants will continue to be temporarily closed. Residents can continue to order breakfast, lunch, and dinner to-go, with pick-ups taking place in Alonzo's.

## **SYMPTOMS OF COVID-19:**

Symptoms of COVID-19 include a loss of taste or smell, cough, fever, chills, muscle pain, headache, sore throat, shortness of breath, pink eye, eye pain, vertigo, and gastrointestinal issues such as diarrhea, nausea, or vomiting.

**If you are experiencing any symptoms of COVID-19, or if you have tested positive, please do not come to work. Please notify HR immediately.**

Thank you for all you're doing, both at Mather Place and when you're not at work, to help keep our community safe!

Sincerely,

Katrina O'Neill, Executive Director
