

COVID-19 UPDATE

January 18, 2022

Dear Residents and Family Members,

We wanted to inform you that we received notice today that **two residents and one employee of Mather Place in Wilmette have a confirmed positive case of COVID-19**. We wish them a full recovery.

Mather Place is interviewing each of these individuals to determine if he/she was in close contact with residents and/or employees (meaning within 6 feet of anyone for more than 15 minutes). Individuals who have been in close contact will be notified.

MEALS AVAILABLE TO-GO ONLY:

To reduce the risks of spreading COVID-19, our restaurants will continue to be temporarily closed. We plan to re-evaluate this next week. For now, please continue to order breakfast, lunch, and dinner to-go using our regular process:

- Complete the next-day menu for all meals using the forms in the Fairfield Room.
- When ready, **meals can be picked up in Alonzo's**.

Residents who are not feeling well can request delivery at no charge.

ON-SITE COVID-19 TESTING EVERY WEDNESDAY:

Residents can take advantage of weekly on-site COVID-19 testing clinics. **For the next three Wednesdays (starting tomorrow), Northshore Clinical Labs will conduct a testing clinic in Possibilities 1 between 2:00 and 4:00 p.m.**

- Each time you'd like to be tested, please sign up in advance by calling the Concierge at **(847) 256.9300**.
- Tests being given will take 24 to 48 hours for results.
- **If you are experiencing any symptoms of illness, do not attend the testing clinic.** Please reach out to your physician.

Please take care and stay well.

Sincerely,

Katrina O'Neill
Executive Director

PS: Please note that this letter is being shared with all residents' current emergency contacts.
