

# COVID-19 UPDATE

May 9, 2022

Dear Employees of Mather Place,

We wanted to inform you that we have learned that **one resident and three employees have tested positive for COVID-19**. We wish these individuals a speedy recovery.

Mather Place is interviewing the individuals to determine if they were in close contact with residents and/or employees (meaning within 6 feet of anyone for more than 15 minutes). Individuals who have been in close contact will be notified.

## **FEEL ILL? PLEASE STAY HOME:**

The latest variant of COVID-19 can present similar symptoms to a cold, flu, or allergies. Even if you are experiencing mild symptoms, please err on the side of caution with these steps:

- **Stay home. Do not come to work.**
- **Take a COVID-19 test.** Please contact your personal physician if you have questions about at-home tests versus PCR testing.
- If you test positive for COVID-19, **notify HR immediately.**

## **PLEASE STAY SAFE:**

As we continue to live with COVID-19, we know how to reduce risk of infection:

1. **Get your second booster shot**, if and when you are eligible.
2. Please protect yourself by **wearing a good-quality face mask that covers your mouth and nose any time you are indoors in public.**
3. **Practice good hand hygiene** by washing hands frequently for 20 or more seconds.
4. If you think you have COVID-19 or were exposed to COVID-19, **get tested.**

Please take care and stay well.

Sincerely,

Katrina O'Neill  
Executive Director
