

COVID-19 UPDATE

May 13, 2022

Dear Residents and Family Members,

We wanted to inform you that we have learned that **an employee has tested positive for COVID-19**. We wish this individual a speedy recovery.

Mather Place is interviewing the individual to determine if they were in close contact with residents and/or employees (meaning within 6 feet of anyone for more than 15 minutes). Individuals who have been in close contact will be notified.

WHAT YOU CAN DO:

We have all been living with COVID-19 for a long time now. The good news is that we have a solid understanding of what it takes to reduce our risk of infection:

1. **Wear a face mask that covers your nose and mouth** when indoors in public space.
2. Regularly **use good hand hygiene** by washing your hands frequently for 20 or more seconds.

FEELING SICK? STAY HOME!

Please stay in your home if you feel ill—even with mild, cold-like symptoms.

Please take care and stay well.

Sincerely,

Katrina O'Neill
Executive Director

PS: Please note that this letter is being shared with all residents' current emergency contacts.
