STEPS FOR STAYING SAFE:

The number of COVID-19 cases remains high in our area. Please protect yourself and others with some simple steps. **First, if you are experiencing any symptoms, we strongly encourage you to stay home and avoid spreading any illness you may have to others. If you think you have COVID-19 or were exposed to COVID-19, get tested.**

FEELING SICK? STAY HOME!

Please stay in your home if you feel ill—even with mild, cold-like symptoms.

Additionally,

- Practice **good hand hygiene** by washing your hands frequently for 20 seconds or longer.
- **Wear a well-fitting mask** that covers your mouth and nose when indoors in a public area.

Please take care and stay well.

Sincerely,

Gretchen Boscarino
Director of Repriorment Services
