

# COVID-19 UPDATE

October 19, 2022

Dear Residents and Family Members,

We wanted to inform you that we have learned that **two employees have tested positive for COVID-19**. We wish these individuals a speedy recovery.

Mather Place is interviewing the individuals to determine if they were in close contact with residents and/or employees (meaning within 6 feet of anyone for more than 15 minutes). Individuals who have been in close contact will be notified.

## **IN-PERSON DINING PAUSED:**

**Due to these cases, we are pausing service in our restaurants through Monday, October 24, resuming next Tuesday.** We will update you if anything changes.

- Residents who have not tested positive for COVID-19 can choose between **picking up meals to-go or, for a \$5 fee per delivery, having them delivered to their apartment home.**

## **DETAILS ON FACE MASKS:**

Please continue with the COVID-19 infection control precautions we have been using over the last two years, including wearing a well-fitting face mask when you are out of your apartment home.

- **Please change your mask often!**
- Both KN95 and surgical masks are available free of charge at the Concierge desk.

**Even if you are experiencing mild symptoms, like a cold or seasonal allergies, please err on the side of caution by staying in your apartment home. If you have symptoms of COVID-19 or if you test positive for the virus, contact your health care provider and let the Concierge know.**

Our primary concern is for the health and well-being of residents and employees. Please feel free to contact me with any questions.

Please take care and stay well.

Sincerely,

Katrina O'Neill  
Executive Director
