

COVID-19 UPDATE

October 21, 2022

Dear Residents and Family Members,

We wanted to inform you that we have learned that **a resident has tested positive for COVID-19**. We wish this individual a speedy recovery.

Mather Place is interviewing the individual to determine if they were in close contact with residents and/or employees (meaning within 6 feet of anyone for more than 15 minutes). Individuals who have been in close contact will be notified.

IN-PERSON DINING PAUSED:

We are continuing to pause service in our restaurants through Monday, October 24, resuming next Tuesday. We will update you if anything changes.

- Residents who have not tested positive for COVID-19 can choose between **picking up meals to-go or, for a \$5 fee per delivery, having them delivered to their apartment home.**

HELP US REDUCE RISKS:

Please change your face mask often! KN95 and surgical masks are available free of charge at the Concierge desk.

****IMPORTANT: Even if you are experiencing mild symptoms, like a cold or seasonal allergies, please err on the side of caution by staying in your apartment home. If you have symptoms of COVID-19 or if you test positive for the virus, contact your health care provider and let the Concierge know.****

Please take care and stay well.

Sincerely,

Katrina O'Neill
Executive Director

PS: Please note that this letter is being shared with all residents' current emergency contacts.
