

COVID-19 UPDATE

February 20, 2023

Dear Residents and Family Members,

Since our last update on February 13, we have had **six additional residents and one employee test positive for COVID-19**.

We strongly encourage you to take necessary precautions: **If you are sick or have symptoms of COVID-19, please stay in your apartment home, and let the Concierge know.**

If you have been exposed to someone who is positive for COVID-19, please wear a mask when you are outside of your apartment home for 10 days following your exposure. If you develop any symptoms, please take an at-home test or get tested, and let us know if you test positive.

Regardless of your situation, please consider wearing a good-quality face mask whenever you are in group settings. And wash your hands often with soap and water; if this is not possible, use an alcohol-based hand rub.

IN-PERSON DINING IS PAUSED:

Due to these new cases, we will **pause dining services for one week**. From now through next Monday, February 27, restaurants will be closed. Carry-out and delivery are available.

We appreciate your ongoing efforts to keep yourself and your neighbors healthy and safe.

Please take care and stay well.

Sincerely,

Katrina O'Neill
Executive Director

PS: Please note that this letter is being shared with all residents' current emergency contacts.
