

# COVID-19 UPDATE

February 24, 2023

**If you are sick or have symptoms of COVID-19, please stay in your apartment home. Let the Concierge know if you test positive for COVID-19.**

Dear Residents and Family Members,

Since our update on Monday, February 20, we have had **two residents and one employee test positive for COVID-19**.

Regardless of the number of cases in our community, we ask that any time you are sick with any type of symptoms, you stay in your apartment home and notify your health care provider. COVID-19 is not the only illness that can spread to others. This is an effective step you can take to reduce the spread of illness!

We ask that you be aware that preventative measures like wearing a face mask are up to each individual. **We highly recommend wearing a mask any time you are outside your apartment home**—whether inside or outside of Mather Place—but everyone must weigh their own situation, including their current health and risk levels.

## **IN-PERSON DINING TO OPEN TUESDAY:**

We plan to re-open the restaurants for in-person dining starting next Tuesday, February 28. As with mask-wearing, choosing to eat in Alonzo's or Patent's Place is up to each individual, based on their situation and comfort level. As always, carry-out and delivery are available.

Please take care and stay well.

Sincerely,

Katrina O'Neill  
Executive Director

*PS: Please note that this letter is being shared with all residents' current emergency contacts.*
