

COVID-19 UPDATE

March 23, 2023

Dear Residents,

Although the number of cases of COVID-19 is down in our community and in our region, we ask that you continue to take steps to protect your health and the health of those around you. The following three steps are effective against COVID-19, colds, and flu!

- 1. Wear a face mask when you're in a group setting.**
- 2. Practice good hand sanitation.**
- 3. Stay home when you feel ill.**

UPDATE ON COVID-19 IN OUR COMMUNITY:

This update encompasses the period from March 8 to 21. **During those weeks, we have not learned of any COVID-19 cases among residents, employees, or independent contractors.**

Please take care and stay well.

Sincerely,

Katrina O'Neill
Executive Director
