MAINTENANCE-FREE LIVING

THE HEART OF THE NORTH SHORE

You've built an extraordinary life—and after years of hard work, you've earned the right to enjoy it. At Mather Place, a boutique rental community in Wilmette, Illinois, for those 62 and better, the life you've built continues, but in a worry-free way that lets you focus on what's most important to you.

Enjoy the changing seasons without shoveling snow, raking leaves, or cutting grass. Once you've freed yourself from the chores and the upkeep, you can reinvest yourself in what really matters: friends, family, and the many things you love most about life. The only thing you'll regret is not having moved here sooner.

A WELL-DESERVED LIFESTYLE

STRESS A LITTLE LESS, EXPLORE A LITTLE MORE

At Mather Place, the many familiar burdens of running a household are completely taken care of: housekeeping, repairs, maintenance, and more. You've worried about those things long enough. Now you can fill your days exploring all the North Shore has to offer—a variety of restaurants and coffee shops, Westfield Old Orchard Shopping Center, beautiful gardens and parks, a host of recreational, cultural, and entertainment venues, and the ever-changing vistas of nearby Lake Michigan.

Plus, you can enjoy a carefree ride by reserving our driver and sedan for trips within a 10-mile radius, or choose from our scheduled bus trips.

With the routine details of everyday life covered, all you have to do is decide what's next.

EXTRAORDINARY LIVING

DELIGHT IN THE DAY-TO-DAY

Go ahead—structure your time in the way you like to make every day extraordinary. At Mather Place, we call it **Repriorment™**—not retirement. It means discovering the joy of new directions, and having the time to focus on the things that matter most to you. It means doing the things you *want* to do, not just the things you *have* to do.

Mather Place offers many ways to *Reprior*, from catching up on a movie in our Reel Room to inviting friends in for lunch or a game of bridge.

AMENITIES

UNCOMMON SPACES

Or maintain your wellness in our fitness center, take a stroll on our walking paths, or get pampered in our salon and spa.

A MATHER RESIDENCE

WHO IS MATHER?

Mather is a unique, nondenominational not-for-profit organization that was founded in 1941. Dedicated to developing and implementing Ways to Age Well,SM we create programs, places, and residences for today's young-at-heart older adults.

Our founder, Alonzo Mather, was more than a successful entrepreneur—he was a well-regarded humanitarian. From building what was once the tallest skyscraper in Chicago, to inventing the first humane freight car for livestock, to funding what was essentially one of the nation's first Life Plan Communities, his past fuels our future. Mather is headquartered in Evanston, Illinois. To learn more, find your way to mather.com.
